### **KATANNING ALL AGES PLAYGROUND PROJECT NEAR COMPLETION**

The highly anticipated redevelopment of Katanning's All Ages Playground, Skate Park and Lions Park is nearing completion. It will soon be time to pack your picnic basket, gather up friends and family and head to Katanning's destination playground where there is something for everyone.

The project is in the final stages with the asphaltting of the roads and carpark due to be undertaken in the next 10 days. We are working on the final touches including new signage, pedestrian, vehicular and interpretive information. Line marking of roads and carparking will be applied once the asphalt is in place. We want the park to be complete before we open to the public.

Stay tuned for more information about the Community Fun Day at the All Ages Playground to celebrate the fences coming down!

The exciting \$5 million upgrade of Katanning's much-loved park, including refurbishment of its iconic giant playground equipment, is funded through the State Government Royalties for Regions program and Lotterywest.

### **Disgrace**

by [J.M. Coetzee](#)

Set in post-apartheid South Africa, J. M. Coetzee's searing novel tells the story of David Lurie, a twice divorced, 52-year-old professor of communications and Romantic Poetry at Cape Technical University. Lurie believes he has created a comfortable, if somewhat passionless, life for himself. He lives within his financial and emotional means. Though his position at the university has been reduced, he teaches his classes

dutifully; and while age has diminished his attractiveness, weekly visits to a prostitute satisfy his sexual needs. He considers himself happy. However, when Lurie seduces one of his students, he sets in motion a chain of events that will shatter his complacency and leave him utterly disgraced.
