10.1.2 Monthly Financial Report – November 2024 (ATTACHMENT)

File Ref: FM.FI.4
Reporting Officer: David Blurton, Executive Manager Corporate Services
Report Prepared: 12 December 2024
Disclosure of Interest: No Interest to disclose

Body/Background:

This item presents the Monthly Financial Report, which contains the 'Statement of Financial Activity' for the period ending 30 November 2024.

The report includes information which meets the statutory requirements of the Local Government Act and Financial Management Regulations. Other relevant financial information is provided to Elected Members to compare finance performance of the various business functions of the Shire against adopted budgets.

Council adopted (in conjunction with the Annual Budget) a material reporting variance threshold of 10% with a minimum value of \$10,000. Material variances between budgeted and actual expenditure are reported at Report 3 of the Monthly Financial Report.

Officer's Comment:

Below are the highlights for this reporting period:

Revenue from Operating Activities

- Rates levied is \$134,526 (or 2.61%) more than budget. This will decrease as the year progresses as budgeted rates includes an expected \$100,000 write off in rates of which only \$29,192 has been processed to date. The actual YTD figure includes an additional \$65,530 in rates attributed to A2140 – WAMMCO property. The GRV valuation for this assessment was received separately from the GRV roll and therefore treated as an interim rate through the rating process.
- Grants, subsidies and contributions \$435,253 under budget or (36.75%) under budget. The YTD budget anticipated quarterly payment of the full amount of general-purpose grants and local roads grants from the Grants Commission (\$2.9m in total) to the end of October, however \$2.517 of the Council's 24-25 grant allocation was prepaid on 28 June 2024. This will be adjusted in the mid-year budget review. Council has also received \$32,459 more in direct road grants than was anticipated.
- Fees and charges income is \$163,676 (or 12.29%) over budget which relates to the following items
 - KLC kiosk sales, entry fees, gym fees, membership fees \$27,104 more than YTD budget
 - Fire Prevention infringements are \$4,832 more than YTD budget
 - Refuse site disposal fees \$31,413 more than budget
 - Planning Fees \$28,746 more than budget

- Yarding Fees \$92,271 and truck wash fees \$6,629 at the Katanning Saleyards are more than budget to the end of November, reflecting greater numbers of sheep being processed at the facility.
 - Property lease fees are \$15,561 more than budget relating to invoices for the last 5 years for the lease agreement between the Shire and DPIRD for the use of lot 508 Police Pools Road.
 - Standpipe income is \$14,658 less than expected to the end of November.
- Interest Revenue is \$63,206 less than budgeted due to the timing of reserve term deposits which fall due in December.

Expenditure from Operating Activities

- Employee costs underbudget by \$222,847 reflecting savings achieved due to officer vacancies for the year to date. Now that most vacancies have been filled, this is expected to reflect in the financial statements moving forward.
- Materials and Contracts are \$287,836 below budget which mainly relates to the following items;
 - Governance and Elected Member subscriptions are \$28,203 over budget
 - Governance and Administration consultants and professional services are over budget by \$22,190
 - Software subscriptions \$16,454 under budget. This is a timing issue and full expenditure of the budget is expected by the end of financial year.
 - Integrated planning and reporting \$18,750 under budget
 - CCTV maintenance cost \$11,320 under budget
 - Consultants – Building are \$10,527 over budget
 - Consultants – Town planning are over budget by \$13,894
 - Refuse site material costs \$15,626 under budget

 - Audit fees are \$121,465 under budget as \$82,800 was accrued to 23-24 and the audit fee has not yet been paid in 24-25
 - Tennis club resurfacing contribution \$25,000
 - Road Maintenance material component \$20,632 over budget
 - Works Program – Airport \$36,109 under budget
 - Expensed Minor asset purchase \$20,830 under budget
 - Economic Development Services \$9,750 under budget
 - KAC contract management \$42,800 over budget
 - KAC maintenance expense \$71,151 under budget.
 - KAC consultants \$25,000 under budget
 - Fire mitigation expenses \$33,330 under budget
 - Building Program KLC \$22,239 under budget
 - Consultants PWO \$12,500 under budget
 - Fuel and oil purchases \$35,568 under budget

- Plant repairs is \$37,123 over budget and contract Mechanic \$47,999 over budget however the latter has been budgeted as part of salaries and wages.
- Utility Charges are \$49,340 under budget. A refund of \$18,662 has been received from Watercorp related to Amherst village.
- Other expenditure is under budget by \$64,081. The majority of this relates to suspense account deposit of \$55,418 (GL1123) which is unclaimed funds rating to the sale of lot 885 Wanke St. This amount will be paid to the public trustee in due course.
- Proceeds from capital grants, subsidies and contributions are \$1,812,379 underbudget. The following grants funds were anticipated to have been received by 30 November 2024.
 - DFES grant for BFB shed \$250,000

 - Roads to Recovery \$173,247. No claim can be submitted until the 23-24 Annual report is signed off by auditors (pending)
 - Saleyard ear tagging equipment grant \$878,199
- Proceeds from Asset sales is below budget by \$26,162 relating to disposal of plant an equipment and land (15 Kaatanup Way)
- Payments for property, plant and equipment and infrastructure are both below budget as at the end of November 24 reflecting a delayed start to some projects or delays in invoice payment. – refer note 3
- Transfer to reserves is \$72,697 less than budget which relates to interest on term deposits which were expected to be received by 30 October and transferred to reserve, however the maturity date of reserve term deposit (\$6.07m) is 16 December 2024.
- Opening Surplus is \$2.576m more than anticipated, which reflects pre-payment of 75% of Federal Assistance Grants on 28 June 2024 of \$2.517m. This will be adjusted during the mid-year budget review process. Closing surplus to end of November is \$2m more than anticipated for the reasons outlined above.

10.1.3 **2023-24 Annual Report** (ATTACHMENT)

File Ref:	FM.AU.2
Reporting Officer:	David Blurton – Executive Manager of Corporate Services
Date Report Prepared:	12 December 2024
Disclosure of Interest:	No Interest to disclose

Issue: For Council to consider the acceptance of the 2023-24 Annual Report including the Annual Financial Report and Auditors Report.

Body/Background: Moore’s Australia on behalf of the Office of Auditor General (OAG) undertook its audit site visit during October 2024. The Audit Exit Meeting was held with the Audit and Risk Committee on 11 December 2024 where the committee considered the Audit Concluding Memorandum, Management Letter and draft 23-24 Annual Financial Report. The final Audit Report which is issued by the OAG was unavailable for the meeting, however this has since been received and is included in the Annual Financial Report.

Officer’s Comment: As discussed at the Audit Committee meeting on 11 December 2024, The Council has received an-unqualified (or un-modified) audit report which represents a “clean” audit, although the OAG has issued an “Emphasis of Matter” in relation to the audit qualification from the prior financial year (2023) for Building Depreciation and the Fair Value treatment of Infrastructure Assets. These matters have now been addressed and in doing so, has required the restatement of several financial statements from 2023 and the addition of note 26 to the Financial Statement which summarizes the changes made to the 2023 accounts.

The adjustment of infrastructure assets to fair value has resulted in an increase in the value of the Council’s infrastructure network by \$59m which includes a transfer of \$2.7m to other classes of assets. This revaluation process was undertaken independently by Assetval in 2023 and was revisited in 2024 at the request of officers as an outcome of the Audit qualification in 2023. Following extensive investigation and analysis, Shire officers issued an Explanatory Memorandum to the OAG to discuss factors which gave rise to the increase in infrastructure asset values in 22/23.

The outcome of this exercise represents a significant increase in the value of the Council’s infrastructure assets and this will be reflected in increase amount of depreciation expense over the next five years in the Council’s accounts.

The 2023-24 year shows a \$9.03m depreciation expense in the accounts compared to \$6.5m in 2023 (restated). Whilst depreciation is a non cash item, the Council will need to consider this expense carefully in the review of its long term financial plan and asset management plans in the coming months.

The Annual Report itself is a statutory document that recognises and celebrates the Council’s achievements of the previous financial year against its strategic objectives and reports on other

important information. Whilst the Financial Report and audit report forms an important part of the document, the document should be read in its entirety.

Statutory Environment: *Local Government Act 1995*

10.1.4 Katanning Lions Club Inc Lease – A2244, 30 Cornwall Street, Katanning

File Ref: CP.AL.4
Reporting Officer: David Blurton, Executive Manager Community Services
Date Report Prepared: 12 December 2024
Disclosure of Interest: No Interest to disclose

Issue:
For Council to consider a new lease agreement for 30 Cornwall Street, Katanning to the Katanning Lions Club Incorporated.

Body/Background:
The Council owns 30 Cornwall Street (lot 420 on deposited plan 222687), freehold and the Katanning Lions Club has occupied the above address since 1999 (15 years). Whilst the current lease does not nominate an expiry date, it is prudent to develop a new agreement to reflect updated legislation and to ensure Council’s risks are adequately addressed.

FIGURE 1 A2244, 30 CORNWALL STREET, KATANNING

A new lease agreement has been drafted and discussed with the Lions Club and is now presented to the Council for endorsement.

Officer's Comment:

Officers have considered the previous lease agreement and Council's existing policy 2.10 Lease of licence to occupy community assets to develop the new draft lease. Key lease terms are as follows:

	Draft lease	Previous lease
Term	12 months	Monthly basis with 2 months notice required for eviction
Annual Fee	75% of Minimum rates	Was minimum rates until 2022 where CEO advised \$1000 per annum was fee. (C/22/2871)
Lease area	Building and Grounds	Building only
Agreed use	Workshop and storage facility	Workshop and storage facility
Outgoings	Lessee to pay all outgoings and maintenance	Lessee to pay all outgoings and maintenance

Statutory Environment:

Local Government Act 1995 S3.58 – Disposal of Property requires any disposal of property (including leases) to undergo a process including either disposal by highest bidder at public auction (2a) or tender (2b), or by giving public notice in prescribed form (3a).

However, exemptions apply as per regulation 30 of Local Government Act (Functions and General) Regulations

(2)A disposition of land is an exempt disposition if –

- (a) the land is disposed of to an owner of adjoining land (in this paragraph called the transferee) and –*
 - (i) its market value is less than \$5 000; and*
 - (ii) the local government does not consider that ownership of the land would be of significant benefit to anyone other than the transferee;*

or

- (b) the land is disposed of to a body, whether incorporated or not –*
 - (i) the objects of which are of a charitable, benevolent, religious, cultural, educational, recreational, sporting or other like nature; and*
 - (ii) the members of which are not entitled or permitted to receive any pecuniary profit from the body's transactions;*

In this case, Regulation 30(2)(b) would apply.

Policy Implications:

Shire of Katanning policy 2.10 Lease of license to occupy community assets has been used as a basis to develop the draft lease agreement.

Financial Implications:

There are minimal financial implications for this report. Annual lease fee is proposed to be \$864 in 2024/25

Risk Implications:

The perceived level of risk is considered to be “Low” risk and can be managed by routine procedures and with current resources.
