File Ref: A37
Reporting Officer: Shane Chambers, Environmental Health Officer
Date Report Prepared: 09 November 2018

Issue:

To consider demolishing the house at 11 Hassell Street Katanning in accordance with Section 140 of the Health (Miscellaneous Provisions) Act 1911.

Body/Background:

11 Hassell Street has been abandoned and unoccupied for several years. The property is in such a poor state that there has been partial collapse internally and the roof is severely damaged. The house is littered throughout with rotting food waste, faeces, soiled bedding and clothing.

The Shire served a notice under Section 137 of the Health (Miscellaneous Provisions) Act 1911 on the Owner requiring total demolition by 24 September 2018. To date the Owner has not complied with the conditions of the notice. Lawyers Taylor, Nott and Molinari have reviewed the service of the notice and believe that it was served correctly, and that the Shire are legally entitled to act in default for non-compliance with the conditions of the notice.

On 27 February 2018 Council passed a resolution to pursue the matter with the option to prosecute for non-compliance or carry out the necessary work in default.

The Owner has repeatedly failed to comply with legal notices served on her by the Shire over several years. Additionally, the Shire has been unsuccessful in recovering outstanding rates owing on the property. The Shire's debt recovery agents Ampac recently contacted the Owner and she advised that she has been evicted from her rental property in Balga and is of no fixed address and has no assets and income.

Prosecuting the Owner is likely to cost the Shire approximately \$20,000 in legal fees. Given that the Owner has not met her financial commitments and legal responsibilities, prosecution is unlikely to result in a successful outcome.

Demolition quotes supplied by registered asbestos demolition companies range between \$22,000 to \$24,000.

Officer's Comment:

It is recommended that the Shire proceed with the demolition of the house at 11 Hassell Street in default and place a charge on the property which enables the Shire to recover expenses upon sale of the property.

Statutory Environment:

Health (Miscellaneous Provisions) Act 1911

A notice under Section 137 of the Health (Miscellaneous Provisions) Act 1911 was served on the Owner requiring demolition of the property by 24 September 2018.

Policy Implications:

Financial Implications:

Allocation has not been made in the current Budget for demolition costs – estimated between \$22,000 to \$24,000. If Council authorises the demolition, the amount can be found through Budget savings in the Budget review process.

Risk Implications:

This item has been evaluated against the Shire of Katanning’s Risk Assessment and Acceptance Criteria. The perceived level of risk is considered to be “Medium” and will require the allocation of funding to proceed with demolition to minimise reputational and public liability risk.

10.2.3 Revitalisation Front Façade Incentive – Astarh Pty Ltd

File Ref: AT/0015
Reporting Officer: Lisa Hannagan, Executive Manager Finance and Administration
Date Report Prepared: 16 November 2018

Issue:

To consider the application from Astarh Pty Ltd (Toyworld) for reimbursement of funds under Policy 9.13 Clive Street Revitalisation Front Façade Incentive.

Body/Background:

Council amended Policy 9.13 relating to the Clive Street Revitalisation Front Façade Incentive at the Ordinary Council Meeting held 22 October 2014. Three rounds of applications have been presented to Council over the period the policy has been in place.

Within the 2018/19 Budget, there is \$22,471 funds available in the CAFFI (Shop Front Enhancement Subsidy) account available for applications.

Officer's Comment:

The Ashtarh Pty Ltd application was tabled at the Forum held 4 September 2018.

The application was not "pre-approved" as per Council Policy 9.13, but Council were mindful that the improvements had been completed and referred the matter to the CAFFI Committee (this Officer and Councillor's Kristy D'Aprile and Danny McGrath).

The Officer inspected the premises at Clive Street on 11 October 2018 and supplied photographic images and a report to the Committee that, in their opinion, the work completed is to a high standard and has met the description of works as detailed by Astarh Pty Ltd in their application. The Committee agreed that the work completed is acceptable.

Statutory Environment:

Local Government Act 1995

10.4 EXECUTIVE MANAGER, PROPERTY & ASSETS REPORTS**10.4.1 RV Rest Area – 48 hour stay period**

File Ref: CP.DE.13
Reporting Officer: Andrus Budrikis, Executive Manager Property & Assets
Date Report Prepared: 20 November 2018

Issue:

To approve a 48 hour time period for self-contained recreation vehicles (RVs) staying at the newly developed RV Rest Area in Aberdeen Street Katanning.

Background:

At the Ordinary Council Meeting on the 22 April 2015 Council made the following decision:

That Council:

1. Approves the installation of an RV Dump Facility and associated infrastructure at the southern side of the Miniature Railway Building, located at the Katanning All Ages Playground.
2. Designates the disused road, formerly known as Albion Street adjacent to the BMX track, as an RV rest area; and allows free short term (24 hour) RV parking with a sign suggesting users may wish to make a donation of \$5 to the Katanning Visitors Centre.

As part of the Katanning SuperTowns Heritage Centre Project the old Aberdeen Street caravan park has been redeveloped into a RV Rest Area. Part of the redevelopment has been the installation of a new RV Dump Point. The new RV Rest Area will be much more visually attractive, and it is only a short walk from a range of local businesses.

The new area will cater for self-contained vehicles only. In order to encourage longer visitation to the commercial centre of town it is proposed to change the time that the RVs are able to stay in the Rest Area from 24 hours to 48 hours.

There are many potential benefits to Katanning in having a longer time to stay, currently with a 24 hour overnight stay visitors are limited in the time they have to engage with local tourist sites and local businesses.

There is the opportunity to encourage a higher level of spending in local shops, eateries/cafes and on other purchases such as fuel and car repairs by extending the RV Rest Area time period.

Officer's Comment:

The proposal to increase the RV Rest Area stay period to 48 hours was discussed at Council Forum on 13 November 2018.

Statutory Environment:

Local Government Act 1995

Policy Implications:

This item has been evaluated against the Shire of Katanning's Risk Assessment and Acceptance Criteria. The perceived level of risk is considered to be "Low" risk and can be managed by routine procedures and with current resources.

10.4.2 Austral Terrace Landscape Dome to Albion Street and Katanning Hotel Fire Escape (ATTACHMENT)

File Ref: CP.DE.13
Reporting Officer: Andrus Budrikis, Executive Manager Property & Assets
Date Report Prepared: 20 November 2018

Issue:

To approve the budgets for the remainder of the landscape scope for Austral Terrace from Dome to Albion Street and the proposed works to install a second fire escape from the first floor of the Katanning Hotel building.

Background:

Austral Terrace Landscaping

The Realm landscape concept plan approved at OCM 31 October 2017 included the landscape works from Dome to Albion Street. Council approved the following:

That Council:

1. Endorses the Austral Terrace Concept Plans Stage 1 & 2 Revision B, October 2017 by Realm Studio, pending selection of suitable pavers;
2. Endorses the removal of the overhead powerlines along Austral Terrace from the Dome Hotel to Albion St as per the Western Power Feasibility Study SF-010289 Option 3; and
3. That suitable commemorative plaques or pavers be placed in the locations of the removed power poles as part of the paving scheme.

Following approval of the Realm Studio design Nigel Oakey from Dome Café Group proposed changes to the landscaped area surrounding Dome Katanning and along Clive Street to Emu Lane. Subsequently changes to the plan around Dome were endorsed by Council at OCM 24 April 2018:

That Council:

1. Endorses the changes to the Austral Terrace Concept Plans A1.02 B 21/3/2018 and A2.01 B 21/3/2018 (post construction); and
2. Approves the incorporation of one car bay on Clive Street into the landscape as indicated in these plans.

Katanning Hotel Fire Escape

A second stair case to the Katanning Hotel (external) is proposed to provide an alternative fire escape from the first floor. Although the building is connected to the new Administration Building this is not considered a legal fire escape. The second fire escape is required under the Building Code of Australia as some sections of the first floor of the Katanning Hotel, and all of the area in the towers, are outside of the legal escape distance requirement to a fire exit. The second fire escape is deemed a required exit.

Officer's Comment:

The proposed works to Austral Terrace were endorsed at OCM 31 October 2017. Since then Western Power have been engaged to provide a quote for the works based on design drawings prepared through Western Power. The quote from Western Power is substantially more than their previous estimate of \$117,000 +/- 30%. This is partially due to the inclusion of self-supporting power poles to replace the end of line poles on Austral Terrace and Albion Street once the existing power poles are removed.

The estimate for the landscape works along the remainder of Austral Terrace from Dome Katanning to Albion Street has decreased as work to the Austral Terrace landscape Dome to Emu Lane was completed under budget.

The proposed works for constructing an external staircase to act as a required fire exit from the first floor of the Katanning Hotel is required to make the building compliant to the Building Code of Australia 2016.

This agenda item seeks to approve these works and clarify the funding sources for the works and was discussed at the Council Forum on 13 November 2018.

Statutory Environment:

Local Government Act 1995

Building Code of Australia 2016

Policy Implications:

Nil

Risk Implications:

Austral Terrace Landscaping

This item has been evaluated against the Shire of Katanning's Risk Assessment and Acceptance Criteria. The perceived level of risk is considered to be "Low" risk and can be managed by routine procedures and with current resources.

The landscape improvements to Austral Terrace carry minimal risk to the Shire of Katanning. The works will pose a risk to the businesses operating on Austral Terrace in that entry to their premises may be disrupted. To minimise this risk the construction specification has programmed the works to ensure the works is done in sections, and that access to the businesses be maintained at all times.

Katanning Hotel Fire Escape

This item has been evaluated against the Shire of Katanning's Risk Assessment and Acceptance Criteria. The perceived level of risk is considered to be "High" risk and cannot be managed by routine procedures and with current resources.

The proposed external staircase fire escape to the Katanning Hotel will alleviate the risk of the Shire owning a non-compliant building for fire escape.

Financial Implications:

The proposed remainder of works to Austral Terrace and the Katanning Hotel are estimated at:

- Austral Terrace Dome to Albion St: \$120,000 (ex GST) (quotes received)
- Removal of Power Lines: \$190,000 (ex GST) (Western Power quote October 2018)
- Katanning Hotel Fire Escape Works: \$100,000 (exc GST) (estimate FIRM Construction).

It is proposed that these works (total cost \$410,000 ex GST) be funded within the existing budgets as follows:

- a) \$100,000 (ex GST): New Administration Building budget
- b) \$310,000 (ex GST): KSHCP budget

- 1. Approves the expenditure for the Austral Terrace Dome to Albion Street landscape improvements consisting of \$120,000 (ex GST) for the landscape works and \$190,000 (ex GST) for the removal of the power lines by Western Power, and that these works be funded from the Katanning Supertown Heritage Centre Project.**
