10.1.1 2019/20 Annual Budget (ATTACHMENT)

File Ref: FM.BU.1
Reporting Officer: Lisa Hannagan, Executive Manager Finance & Administration
Date Report Prepared: 8 August 2019

Issue:

To consider adopting the 2019/20 Budget for the Shire of Katanning.

Background:

The *Local Government Act 1995*, S6.2, requires a Local Government to prepare and adopt a budget prior to 31 August.

Officer's Comment:

Commentary is provided for each recommendation:

1 & 2: Rates

The 2019/20 Annual Budget shows a 3.95% increase in rates revenue. After extensive modelling, Officers have determined that the rates model as recommended in this report is the most equitable for Katanning ratepayers. The graph below shows the percentage increase in the dollar for each rating type – gross rental value (GRV) and unimproved value (UV). The model as presented has the majority of ratepayers receiving decreases from 2018/19; GRV Properties 72% and UV Properties 42%.

This model shows a decrease to the minimum rate by \$12 (\$991 in 2018/19 to \$979 in 2019/20). This has been achieved by discontinuing the 2% discount for early payment of rates offered in prior financial years.

As a result, the majority of ratepayers will receive a rate lower than last year. All properties within the Shire have been revalued by the Valuer General this financial year (GRV revaluation is every 5 years, and UV revaluation is annually). The average increase for GRV properties is \$16.86, compared with UV \$199.50. The increases greater than \$100 per property shown in the graph are generally the result of a large number of rural parcels of land being group rated and therefore considered one property, contributing to the higher increases. Increases to some UV (rural) properties show UV taking the majority of the increase to rates raised.

3: Rates Incentive Prizes

Following consultation with Councillors and reviewing the payment incentives offered by other Councils, for 2019/20, ratepayers who pay all rates outstanding in full within 35 days of the rates notice being issued will be in the running to win one of five \$1,000 Katanning Regional Business Association (KRBA) vouchers. In prior year budgets, Council offered a 2% discount to ratepayers who paid all rates outstanding in full within 35 days of the rates notice being issued.

A new allocation of \$5,000 has been made in the 2019/20 annual budget for rates incentive prizes. Previous budgets made provision of \$43,000 for rates discounts. The impact of the previous discount offered was distributed across all ratepayers; Officers believe the transition to prizes is more equitable to all ratepayers.

4: Payment Options

Section 6.50 of the *Local Government Act 1995* states that the due date on the rate notice is not to be less than 35 days from the date of issue. Section 6.45 of the *Local Government Act 1995* allows for a local government to provide payment options to ratepayers for the payment of rates. Consistent with prior financial year, ratepayers are offered three options to pay their outstanding rates; in full by the due date, by two instalments, or by four instalments.

5 & 6: Interest and Administration Charges for Instalment Options, and Penalty Interest

Where ratepayers choose to pay their rates by instalments Council is required to adopt a rate of interest to be charged for this option and to determine an administrative charge for this service. Similarly, Council is required to adopt the rate of penalty interest to be imposed on outstanding rates. These charges are consistent with prior years and are as prescribed by the *Local Government Act 1995*.

7 & 8: Refuse, Recycling Charges and Waste Rate

These charges reflect the requirement for Council to recover the costs of waste disposal and treatment through corresponding revenue. Fees have remained consistent with prior years.

9: Schedule of Fees and Charges

The Schedule of Fees and Charges has been adopted by Council, advertised to the public and is included in the budget document.

10: Material Variances

The monthly reporting for 2019/20 is proposed to be consistent with 2018/19 and prior financial years reporting: a variance of 10% or greater of the annual budget for each program area in the budget, as a level which requires an explanation or report, with a minimum dollar value of \$10,000.

11, 12 & 13: Elected Members fees and allowances

Section 7B(2) of the *Salaries and Allowances Act 1975* requires the Salaries and Allowances Tribunal, at intervals of not more than 12 months, to inquire into and determine the amount of: fees, or the minimum and maximum amounts of fees, to be paid under the Local Government Act 1995 ('the LG Act') to elected council members for attendance at meetings; expenses, or the minimum and maximum amounts of expenses, to be reimbursed under the LG Act to elected council members; and allowances, or the minimum and maximum amounts of allowances, to be paid under the LG Act to elected council members. The latest determination was made on 9 April 2019. In accordance with the Local Government Act 1995 section 5.99- Annual fee for council members in lieu for attending meetings, a Local Government may decide that instead of paying council members a fee referred to in section 5.98(1), it will instead pay all council members who attend council or committee meetings –

- The annual fee determined by the Salaries and Allowance Tribunal under Salaries and Allowance Act 1975 section 7B; or
- Where the local government has set a fee within the range for annual fees determined by that Tribunal under that section, that fee. In accordance with the Local Government Act 1995 section 5.98(5) Fees etc for Council members. The mayor or president of a local government is entitled, in addition to any entitlement that he or she has under subsection (1) or (2), to be paid –
- The annual local government allowance determined for mayors or presidents; or
- Where the local government has set an annual local government allowance within the range determined for annual local government allowances for mayors or presidents that allowance.

In accordance with the *Local Government Act 1995* section 5.98A – Allowance for deputy mayor or deputy president, a local government may decide to pay the deputy mayor or deputy president of the local government an allowance of up to the percentage that is determined by the Salaries and Allowance Tribunal under the Salaries and Allowance Act 1975 section 7B of the annual local government allowance to which the mayor or president is entitled under section 5.98(5). The percentage determined for the purposes of section 5.98A(1) of the LG Act is 25 per cent.

In accordance with section 7B (2) of the Salaries and Allowance Act 1975 the Salaries and Allowances Tribunal is required to “inquire into and determine –

- The amount of fees, or the minimum and maximum amount of fees, to be paid under the Local Government Act to elected council members for attendance at meetings, and
- The amount of expenses, or the minimum and maximum of expenses, to be reimbursed under the Local Government Act 1995 to elected council members; and
- The amount of allowances or the minimum and maximum amounts of allowances, to be paid under the Local Government Act 1995 to elected council members.”

It has been determined that the Shire of Katanning is a Band 3 in the Tribunal's local government banding model.

For a council member who holds the office of mayor or president, the annual fee range is:

Minimum	Maximum
\$7,688	\$25,342

For a council member other than the mayor or president, the annual fee range is:

Minimum	Maximum
\$7,688	\$16,367

The fee range for an annual allowance for a Mayor, President or Chairman is:

Minimum	Maximum
\$1,025	\$36,957

The fee range for an annual allowance for ICT expenses is:

Minimum	Maximum
\$500	\$3,500

The draft budget was presented to Councillors' and reviewed at the Budget Workshops held:

1. Monday 10 June 2019;
2. Tuesday 18 June 2019;
3. Friday 12 July 2019; and
4. Monday 5 August 2019.

As presented the draft budget allows for an increase in rates revenue of 3.95% from the 2018/19 budget. Significant changes beyond Council's control impact this year's budget and subsequent rates increase.

It is recommended that Council adopt a balanced budget.
