7. REPORTS OF COMMITTEES AND OFFICERS**7.1 AUDIT AND RISK COMMITTEE MEETING****7.1.1 Shire of Katanning Annual Report 2020/21**
(ATTACHMENTS)

File Ref: FM.AU.2
Reporting Officer: Denise Gobbart, Executive Manager Finance & Administration
Date Report Prepared: 12 January 2022

Issue:

For the Audit & Risk Committee to recommend that Council adopts the Annual Report for the year ended 30 June 2021.

Body/Background:

The Annual Financial Report for the year ended 30 June 2021 was presented to the Shire of Katanning's auditor prior to 30 September 2021. The auditors undertook the annual site visit between the 29 September and 1 October 2021. The Audit Exit meeting was held Thursday 16 December 2021 with the audit signed off Tuesday 21 December 2021.

Section 5.54 'Acceptance of Annual Reports' by the *Local Government Act 1995* requires an Annual Report to be accepted by Council by 31 December in each year unless the Auditor's Report is not available in time. The *Local Government Act 1995* Section 5.42(2) requires that if the Annual Report is not accepted by the Local Government by 31 December then it must be presented within two (2) months of the Auditors Report becoming available.

Officer's Comment:

The completion of the audit and the annual financial report confirms the financial data for the 2020/21 year including the carried forward position at the 30 June 2021.

During the current year the following new standards were applied, AASB 1059 Service Concession Arrangements: Grantors and AASB 2018-7 Amendments to Australian Accounting Standards – Definition of Materiality.

The 2020/21 end of year surplus of \$2,333,383 varies to the 2021/22 budget surplus estimate of \$2,453,602. The Surplus varied by \$120,219 due to the treatment of Contract Liabilities \$123,924 and other minor adjustments in the treatment of transaction during the audit.

Contract Liabilities were adjusted to reflect unspent grants with contractual obligations, these were:

- Hidden Treasures (Shire of Broomehill-Tambellup) \$5,000
- Vibrant Katanning (Foundation for Rural & Regional Renewal) \$22,000
- Regional Venues (Art on the Move) \$25,700
- Sports Engagement & Inclusion Program \$71,224

The treatment of these funds is a timing issue. When the revenue is received in the prior year and is unspent, that portion of revenue is removed from operating accounts and transferred to

the Balance Sheet as a contract liability. When the appropriate expenditure has occurred, the contract liability is then transferred back to revenue.

In the Independent Auditor's Report, the following was noted:

In accordance with the Local Government (Audit) Regulations 1996 I report that:

- (i) In my opinion, the following material matter indicates a significant adverse trend in the financial position of the Shire:
 - a. The Operating Surplus Ratio has been below the Department of Local Government, Sport and Cultural Industries (DLGSCI) standard for the past three years.**
- (ii) The following material matter indicating non-compliance with Part 6 of the Act, the Regulations or applicable financial controls of any other relevant written law were identified during the course of my audit:
 - a. Fixed asset reconciliation between the register and the corresponding general ledger control accounts has not been performed from December 2020 to April 2021. This is a key control for ensuring the completeness and accuracy of financial data within the general ledger from which the financial statements are derived. Without this reconciliation being performed on a regular basis there is an increased risk of fraud and or errors going undetected.**

Statutory Environment:
