10.2.3 Transfer of Ownership – A332

File Ref: A332
Reporting Officer: Denise Gobbart, Executive Manager Corporate & Community
Date Report Prepared: 16 May 2022
Disclosure of Interest: No Interest to disclose

Issue:

For Council to endorse the execution of the Transfer of Land for A332 – Lot 708 (39) Cullen Street Katanning, due to unpaid rates.

Body/Background:

On 28 April 2007 an auction was held for the sale of properties for non-payment of rates, Lot 708 Cullen Street was one of the properties auctioned. All properties were sold except for Cullen Street, there was no interest in the property.

At the Ordinary Meeting of Council held 23 May 2007 the following was resolved:

OC142/07 That Council:

- 1. Note the outcomes of the auction of properties for the non payment of rates;**
- 2. Authorise the write-off of any outstanding rates after settlement; and**
- 3. Write-off the rates on A332 (Cullen Street) and commence proceedings to have this property transferred into Council's name.**

CARRIED UNANIMOUSLY

Following the resolution of Council, the debt of \$19,558.47 was cleared on the 30 June 2010 by a receipt from a suspense account. At that time the ESL charge type was not removed from the property and continued to be levied. Then on the 17 November a further \$508.43 was written off, again leaving the property with a nil balance.

Since that date no further action has been taken with the property and as the ESL charge type has never been removed from the property.

Officer's Comment:

Given that the Shire had proceeded to auction of the property and made the final resolution for the property to be transferred into the Shire's ownership, our Solicitors were contacted to obtain advice how we could proceed with the transfer given that no action had occurred since May 2007.

The advice received stated:

The subject property would technically remain in the possession of the Shire in light of the sale of land process undertaken under the LG Act and it has been over 12 years since the Shire came into possession. Accordingly, it would be open to the Shire to transfer the subject property to itself in accordance with section 6.75 of the LG Act, which states –

- (1) Where, at the expiration of 12 years from the taking of possession of any rateable land by a local government under section 6.64 –*
 - (a) all rates and service charges due and payable in respect of the land have not been paid; and*

- (b) *the land has not, under the provisions of this Subdivision, been —*
- (i) *sold by the local government; or*
 - (ii) *transferred to the local government; or*
 - (iii) *transferred to the Crown,*
- by operation of this section the fee simple in the land is to be transferred to the local government subject to —*
- (c) *easements in favour of the public which affect the land; and*
 - (d) *the rights of the Crown in right of the State or Commonwealth or a department, agency, or instrumentality of the Crown in right of the State or Commonwealth; and*
 - (e) *rates and taxes (other than local government rates and service charges) due on the land, but free from other encumbrances.*
- (2) *Schedule 6.3 has effect in relation to a transfer under this section.*

Our Solicitor also advised that there were no encumbrances that would preclude or otherwise affect the Shire's action under section 6.75.

Given that advice, our Solicitors have been engaged to transfer the land to the Shire. As a result of this action, a Transfer of Land document needs to be executed.

Statutory Environment:

Local Government Act 1995

9.49A Execution of Documents

- (1) A document is duly executed by a local government if —
 - (a) the common seal of the local government is affixed to it in accordance with subsections (2) and (3); or
 - (b) it is signed on behalf of the local government by a person or persons authorised under subsection (4) to do so.
- (2) The common seal of a local government is not to be affixed to any document except as authorised by the local government.
- (3) The common seal of the local government is to be affixed to a document in the presence of —
 - (a) the mayor or president; and
 - (b) the CEO, each of whom is to sign the document to attest that the common seal was so affixed.
- (4) A local government may, by resolution, authorise the CEO, another employee or an agent of the local government to sign documents on behalf of the local government, either generally or subject to conditions or restrictions specified in the authorisation.
- (5) A document executed by a person under an authority under subsection (4) is not to be regarded as a deed unless the person executes it as a deed and is permitted to do so by the authorisation.
- (6) A document purporting to be executed in accordance with this section is to be presumed to be duly executed unless the contrary is shown.
- (7) When a document is produced bearing a seal purporting to be the common seal of the local government, it is to be presumed that the seal is the common seal of the local government unless the contrary is shown.

Policy Implications:

There are no policy implications for this report.

Financial Implications:

The estimated cost of advice and the transfer of land is \$2,500. With the land being transferred to the Shire there will be an annual maintenance cost in relation to fire mitigation.

Risk Implications:

ATTACHMENTS

Issue:

For Council to consider approval of a self-supporting loan application by the Katanning Country Club Inc. (KCC) for the KCC Redevelopment Project.

Body/Background:

The KCC have written to the Shire advising that the Redevelopment Project is close to completion. Acknowledging that the scope of the project has grown significantly since its inception.

The KCC is seeking a self-supporting loan of \$250,000 for a period of 10 years. They are confident that they can meet an estimated annual payment of \$30,000 with an increase in venue hire and increased turnover by hosting large sporting events. It is also proposed for a modest increase in membership and fundraising, as well as a reduction in costs through volunteer work.

KCC advises that the spend for the project is expected to be:

Bowls Relocation	\$ 794,937
A Laurino & Co - Contract	\$ 857,000
A Laurino & Co - Variations to Contract	\$ 535,500
Courtech Squash Courts	\$ 132,000
Tennis Fencing, Lights, Playground, BBQ etc	\$ 180,000
Floor Coverings	\$ 50,000
	<u>\$ 2,549,437</u>

This is to be offset with the following funding sources:

Shire Heritage Precinct Project	\$ 1,000,000
GSDC	\$ 170,000
DLGSC	\$ 160,000
Sport Australia	\$ 248,000
GSDC	\$ 100,000
Shire - Donation	\$ 50,000
Shire - Water Tanks	\$ 40,000
KCC	\$ 363,000
Pending Loan	\$ 250,000
	<u>\$ 2,381,000</u>

From the figures provided there is a funding shortfall of \$168,437. Clarification is being sort from the KCC to identify this how this is funded. This information is yet to be received.

To support the KCC borrowings application they presented the copies of the following documents.

- KCC Budget 2022 to 2035
- KCC Strategic Business Plan 2022 to 2035
- KCC Financial Statements 2019, 2020 & 2021

Officer's Comment:

On receiving the application for a self-supporting loan follow-up information was requested with the KCC response in *italic*.

- When will payment of the current outstanding balance of \$257,209.96 be made.
*Payment of \$115,701.30 will be made as soon as possible. (Received 19 May 2022)
Payment of \$141,507.66 has caused much grief to all concerned, was delayed while we try to recover as much of the lost funds as possible. This has been an extremely taxing process and remains unresolved.*
- With another \$350,000 outstanding on the project when is it anticipated that these funds will be repaid.
\$100,000 will be paid when invoiced. The remaining \$250,000 will be repaid over the life of the loan is our loan application is successful.
- It is noted that the Strategic Business Plan shows a loss of \$95,197.73 in 2021, how are you going to meet your current cashflow needs.
The Strategic Business Plan also shows a \$94,722.45 fraudulent payment. We remain Optimistic this won't be repeated.
- The Strategic Business Plan or proposed budget doesn't appear to give any consideration to Asset Replacement for any Infrastructure, Plant and Equipment.
The only plant and equipment that may need to be upgraded in the near term is golf course maintenance equipment. We hope to cover these contingencies from accumulated profit.
- The CSRFF funding agreement had a requirement to establish an Asset replacement Fund for the replacement of the Squash Court playing surface by 15 June in the year the grant was offered. Has this been considered in the Strategic Business Plan or the Proposed Budget?
Its omission is an oversight that needs rectifying. The previous court surface lasted 43 years. Given that the walls are now expected to last much longer than the previous walls we would be looking to fundraise for floors only at a current cost of approximately \$15,000 per court. For four courts the is approximately \$1,400 per year. We will again apply for government assistance with surface replacement at this time. If the one third model still applies, then we need to budget for \$500 per annum.

In relation to the outstanding payment of \$141,507.66 that was lost in a digital fraud matter. We were advised on the that \$50,505.21 was deposited into the KCC on 17 November 2021 by Digital Fraud NSW. These funds have not been received by the Shire to offset the outstanding balance. The KCC have also been advised they were receiving a goodwill payment of \$12,500 by the Commonwealth Bank on 9 March 2022.

Additional information was also sort in relation to Policy 2.12 Self Supporting Loans.

- You have identified the need for a loan – we require information on your inability to obtain alternative funds.

The club has successfully applied for \$678,000 worth of State and Federal funding. We have committed all our reserves which was built up over many years. We have had excellent support from our members and saved a lot of money through busy b's and donations. We believe that by taking a loan for 10% of the value of the project are spreading the burden of the redevelopment across a greater number of members who will benefit from the improved facilities.

If we have unforeseen expenses in the future, we still have the option of going to members to raise money in the form of debentures or prepaid subscriptions.

- Name(s) of private guarantor(s) and/or details on security property needs to be submitted.

Prepared to enter in the loan agreement, giving the Shire of Katanning permission to lodge an absolute caveat over certificate of title.

Policy Implications:**Policy 2.12 Self Supporting Loans**

Policy Statement: Council in general, will only consider approving a self-supporting loan to a maximum of \$150,000 for any one applicant.

Objectives: is to ensure that the recipient of a Council provided self-supporting loan has the capacity and capability to repay the loan and associated costs.

Financial Implications:

As of 16 May 2022, an indicative quote provided by the Western Australian Treasury Corporation (WATC) for \$250,000 with 20 Semi Annual repayments has an interest rate of 3.6811% per annum. This would require semi-annual repayments of \$15,055.

This repayment does not include the Government Guarantee Fee, which is invoiced separately by WATC and is subject to change in accordance with government policy. The rate is currently 0.70%. If the rate remains unchanged the Guarantee Fee will be a total of \$9,730 over the life of the loan. This rate is calculated on the principal outstanding, so the annual repayment amount diminishes over the life of the loan.

From 1 July 2022, the WATC revised local government lending framework becomes effective. They will be considering the following criteria:

- Governance Considerations – supported through improved engagement with the Department of Local Government, Sport and Culture (DLGSC). Consideration to the appropriateness of the loan purpose.
- Qualitative Criteria – for example: size, growth rate, operational characteristics, vulnerability to external developments, Year to Date performance vs. budget.
- Quantitative Criteria – Profitability, Serviceability, Liquidity & Leverage.

The combination of these three components of the lending evaluation process provides an enhanced view of risk to inform the lending decision.

The WATC will implement a structured local government (LG) loan monitoring framework to enable them to be proactive in the management of LG loans should financial performance deteriorate. It is expected that all LG borrowing clients will be subject to a credit review at least every three years.

If a credit review identifies a material issue the WATC may:

- Engage with the Council to determine the cause of any issue and agree with the LG a plan to address the issue.

- Proactively monitor the LG on a more frequent basis in line with the agreed plan to address the issue.
- Escalate the issue to DLGSC where there are concerns for the ongoing sustainability of the LG.
