(ATTACHMENT)**

File Ref: A1543
Reporting Officer: Cherrie Campbell, Executive Officer Infrastructure & Development
& Steven Ball, WA Contracted Ranger Services
Date Report Prepared: 8 August 2022

Issue:

To consider the application of five dogs to be housed on a property in the Shire of Katanning subject to certain conditions.

Body/Background:

In June of 2022 a complaint was received by the Shire Ranger regarding the resident at 8 Britannia Street Katanning having up to 10 dogs on the property. Upon investigation this allegation was found to be true, with dogs on site over three months old not being registered. The owner was instructed to remove the excess dogs from the property in conjunction with registration. The owner of the dogs, Patrina Gayton then applied for a permit to keep more than 2 dogs on the properties she owns, being 4 and 8 Britannia Street Katanning. An inspection of 8 Britannia Street was conducted by shire rangers, although very unkept the yard is secure for the containment of dogs. Mrs Gayton also stated that other works are in the pipeline to fix the yard and replace the fencing to ensure better containment as a breeder of German Shepherds.

Officer's Comment:

Currently there is no provision in the *Dog Act 1976* allowing a local government to delegate authority to council officers regarding these matters, and all applications must be considered by the Council.

Statutory Environment:

Noted are two properties being subject of this current and proposed use are both classified 'Residential' zone. The existing and proposed use falls under the use class 'animal establishment' which is defined as "***premises used for the breeding, boarding, training or caring of animals for commercial purposes but does not include animal husbandry – intensive or veterinary centre***". There's no doubt regarding the commercial nature of the dog breeding activity being undertaken by the landowners, given all the information provided to the Shire. The use class 'animal establishment' is listed in the Zoning Table as an 'X' use on any land classified 'Residential' zone, which means it is not permitted and cannot be lawfully approved by Council.

Under Section 26 of the *Dog Act 1976*, Subsection (1) states that a local government may, by a local law under this Act-

- (a) *Limit the number of dogs that have reached 3 months of age that can be kept in premises in the local government's district:*

Issue:

For Council to consider the 'Licence to Access and Occupy Tower Site – Lot 502 on Deposited Plan 6308, Katanning' between the Shire and FES Ministerial Body.

Body/Background:

On 12 March 2021 Acorpp – Property Consultants advised that the Department of Fire and Emergency Services (DFES) were wanting to formalise an agreement with the Shire for their use of our communication tower on Reserve 37809.

During these negotiations, we discovered that we did not have a power to lease listed on the Management Order (MO). An item was presented to Council 23 September 2021 to amend the MO, the following was resolved:

OC114/21 That Council requests a modification to the Management Orders to include power to Lease or Licence in respect of:

- 1. Reserve 37629 Lot 600 Katanning-Nyabing Road, Ewlyamartup; and**
- 2. Reserve 37809 Lot 502 Braeside Road, Katanning.**

CARRIED 8/0

Documentation was then sent to the Department of Planning, Lands and Heritage seeking the modification to the MO. We were advised 26 July 2022 that this approval had been granted 22 April 2022.

Officer's Comment:

For many years DFES have installed equipment on infrastructure owned by local governments to enable better communication in the event of an emergency. As is the case with our tower site located on Reserve 37809 - lot 502 Braeside Road Katanning.

The licence to access and occupy as presented is for a five (5) year term with two (2) further terms of five (5) years, with the Licence Fee set at \$1.00 per annum. This licence formalises the arrangement that have been in operation for many years.

A request has been submitted to the Department of Planning, Lands and Heritage seeking the required Ministerial approval.

It is recommended that the Licence to Access and Occupy Tower Site – Lot 502 on Deposited Plan 6308, Katanning, be executed.

10.2.3 Adoption of the 2022/2023 Budget **(ATTACHMENTS)**

File Ref: FM.BU.6
Reporting Officer: Denise Gobbart, Executive Manager Corporate & Community
Date Report Prepared: 19 August 2022
Disclosure of Interest: Nil

Issue:

To consider and adopt the Municipal Fund Budget for the 2022/2023 financial year together with supporting schedules, including striking of the municipal fund rates, establishment of new reserve funds, setting of elected members fees for the year and other consequential matters arising from the budget papers.

Body/Background:

The draft 2022/2023 budget has been compiled based on the parameters established in the integrated planning documents including long term financial plan, corporate business plan and strategic community plan.

Council considered the detail within the budget via workshops held in June, July and August 2022.

Officer's Comment:

The budget has been prepared to include information required by the *Local Government Act 1995, Local Government (Financial Management) Regulations 1996* and *Australian Accounting Standards*. The main features of the draft budget include:

Rating:

The draft budget includes a 5.9% increase in rate revenue.

With the Gross Rental Valuations (GRV) the impact will be a direct 5.9% increase as the valuations have not changed.

Landgate completed the annual valuation of Unimproved Valuations (UV) on the 1 August 2021. There was an overall increase in valuations of 15.47%. Comments provided by Landgate are: *The market for broadacre rural properties has continued to improve on the back of low interest rates, relatively good seasonal conditions, and strong commodity prices.*

The impact of the Covid19 pandemic has seen increased interest in rural smallholdings which has taken up excess supply in the market and seen prices improve after decreases in recent years.

Some variations to individual assessments may have occurred either as a product of the valuation process and/or inclusion of updated information such as soil types.

With the increase in valuations the rate in the dollar has been reduced in 2022/2023. With the proposed 5.9% rate increase, this will mean that there will be variations in the rate increase or decrease on each property. These variations range from a 4.61% decrease to a 11.02% increase in rates payable.

Minimum Rates - Fairness and equity are often linked to individual benefit, being the relationship between the level of rates contributed and the benefits returned to the ratepayer. Rates are a tax, not a fee for service and the direct benefit received is unlikely to be equal to the level of the

ratepayer's contributions in all cases. Rates contribute to the general benefit of the community and, as such, it is acknowledged different ratepayers will receive different levels of benefit depending on their location and individual circumstances.

Unrestricted 'public goods' are of benefit to all ratepayers, and often required by legislation to be provided by the local government, such as emergency management, environmental health, building and planning services, roads, pathways and drainage. The existence of such 'public good' services justifies the establishment of a minimum payment.

It is proposed that the minimum rate will increase by 5.89% to \$1,078.

Rates Incentive - Ratepayers who pay all rates outstanding in full within 35 days of the rates notice issued will be in the running to win one of five \$1,000 Katanning Regional Business Association (KRBA) vouchers. An allocation of \$5,000 has been made in the 2022/2023 draft budget for the Rates Incentive Prize.

Salaries and Wages:

The budget for Salaries and Wages has been prepared using a 2.5% wage increase. Some positions have had minor adjustments during the year to assist with the retention of key staff. For staff on minimum wages increases of 5.2% has been allocated. The impact of these increases is estimated to be \$140,000.

There has been no increase in staffing levels provided in the proposed budget. Actual numbers have decreased due to the Ranger, Environmental Health Officer and Finance Manager positions being outsourced with contractors. This has been necessary due to the inability to attract suitably qualified people into these positions. This change has transferred \$257,000 in Salaries to Contracts and Services.

The overall all impact shows Gross Salaries & Wages has reduced by \$103,000.

From 1 July Superannuation Guarantee has increased from 10% to 10.5%, this increase is provided for in the draft budget. This statutory requirement increased superannuation requirements by \$19,500.

Insurance:

Another significant increase of \$39,137 has occurred in insurance premiums. Motor Fleet has remained steady, Property increased \$15,111, Liability has increased \$4,269 and WorkCare has increased \$2,424. In addition to these increases the Scheme Contribution Credit was reduced by \$10,933. This equates to an 8.39% increase in insurance costs.

Total Insurance costs have risen \$110,999 over the past two years.

General Purpose Funding:

The WA Local Government Grants Commission (WALGGC) have advised 2022/2023 funding is as follows:

General Purpose Grant	\$1,859,319	(increase of \$167,156 from 2021/2022)
Local Road Grant	\$ 584,019	(increase of \$25,652 from 2021/2022)

The General Purpose Grant increased by 10.49% and the Local Road Grant increased 4.75%. In addition to these increases there was an adjustment increase of \$117,987 on last year's allocations.

An early payment of the 2022/2023 General Purpose Funding totalling \$1,783,621 was received in April 2022.

Road Funding:

The 2022/2023 road funding sources are as follows:

Grants Commission – Local Roads	\$ 584,019
MRWA – Direct Grant	\$ 140,386
MRWA – Regional Road Group	\$ 446,485
Roads to Recovery	<u>\$ 314,995</u>
	\$1,485,885

It is noted that Regional Road Group funding has \$73,219 carried forward from the 2021/2022 financial year.

Fees & Charges:

The fees and charges are predominately unchanged. There have been minor adjustments to statutory charges. Waste charges are now paid by weight and not cubic meter rates.

New charges have been included for an:

- Application to keep more than two dogs \$55.00
- Rural Road Number Sign with Star Picket \$49.50
- Waste to be land filled contaminated with recyclables (Commercial Operator) \$66.60
- Private Works - Administration Fee 30% of total works cost

Recreation and Culture fees have generally remained the same as last year, to encourage community use of these facilities.

Waste and Cemetery charges have generally increased by 2.5%. Private works charges have generally increased by CPI of 5.1% due to the increased costs to wages and plant. Saleyards yarding, agistment and wash bay fees have comparative to other facilities.

Standpipe water charges have increased generally by 2.5% to reflect the increased cost of water.

Elected Member Attendance Fees, Allowances & Reimbursement of Costs:

The recommendations include the setting of meeting attendance fees and allowances for members. The fees and allowances are proposed to remain at the same levels as last year and to continue the method of paying annual attendance fees; the fee proposed for the President and elected members is \$15,000.

The President's allowance of \$30,000 and the Deputy President's allowance of \$7,500 are in accordance with the Salaries and Allowances Tribunal determination.

A \$1,100 ICT Expenses Allowance is included for each member to provide for costs associated with information and communication technology expenses incurred by members in carrying out their functions on behalf of the Shire.

Annual attendance fees and allowances are to be paid quarterly in arrears; this eliminates the need to recoup funds from an elected member who may resign.

Claims such as travel may be submitted as required.

These fees and allowances are in accordance with sections 5.98, 5.98A, 5.99 and 5.99A of the *Local Government Act 1995* and the *Local Government (Administration) Regulations 1996* and within the determinations for Band 3 as set by the Salaries and Allowances Tribunal 07 April 2022.

It is recommended that Council adopt the balanced draft budget.

Statutory Environment:

Section 6.2 of the *Local Government Act 1995* requires that not later than 31 August in each financial year, or such extended time as the Minister allows, each local government is to prepare and adopt, (Absolute Majority required) in the form and manner prescribed, a budget for its municipal fund for the financial year ending 30 June on the next year.

Division 5 and 6 of the *Local Government Act 1995* refers to the setting of budgets and the raising of rates and charges. The *Local Government (Financial Management) Regulations 1996* details the form and content of the budget. The draft 2022/2023 budget as presented is considered to meet statutory requirements.

- *Cemeteries Act 1986*
- *Waste Avoidance and Resources Recovery Act 2007*
- *Local Government (Miscellaneous Provisions) Act 1960*
- *Soil and Land Conservation Act 1945*

Policy Implications:
