3. ANNOUNCEMENTS BY PRESIDING MEMBER WITHOUT DISCUSSION

President Liz Guidera acknowledged the traditional owners of the land, and paid respect to their leaders past, present and emerging, and to those at the meeting, the Katanning Aboriginal Corporation.

Cr Liz Guidera stated that on Friday 7 February 2020 a fire had started about 11.25am on the South West corner of the Woodanilling Shire and that it quickly escalated to a Level Two fire spreading into the Katanning Shire. The fire was essentially contained by late Friday but with the winds being predicted and achieved on Saturday around 2.30pm of up to 90 kms per hour, the fire got out of control and headed towards town. The fire was handed over to DFES at about 2.30pm on Friday, aerial support including 6 water bombers and helitanker, volunteer bushfire brigades, mostly from Katanning the local brigade, and all of the surrounding districts to Katanning and Woodanilling, with all the surrounding Shires and then from further afield all came to help fight the fire.

Cr Guidera shared that the Shire of Katanning Administration and Civic Centre became the operations centre and that Murray Hatton from DFES had said this facility was 'top notch' and that the Katanning Shires attitude through the whole fire process was 'can do' Cr Guidera commented that this was largely due to the leadership of the CEO Julian Murphy.

Cr Guidera expressed that she would like to thank Mr Murphy and the rest of the staff who worked tirelessly over a number of days, over the weekend and mostly through the week to support our local fires, DFES and all the other people who were involved in the operation because without the support that was given, Katanning would not have had such a good outcome.

Cr Guidera explained most of the surrounding Shire's Presidents made immediate contact with offers of help and sincerely thanked all the surrounding Councils that provided machinery and noted that most of those people who are representatives of those Councils were also on the fire ground.

Cr Guidera shared that the community has been incredible through the event and had stepped up to help each other, both those affected by the fire and those fighting the fire. Cr Guidera explained that a massive amount of food and drinks were donated for the cause and acknowledged Clint and Tania Edwards who coordinated that effort, with a team of people assisting, it was quite the logistical operation much appreciated by those on the fire ground.

Cr Guidera explained that the not for profit organisation Rapid Relief provided lunch and dinner for the fire fighters for about 4 days. They were set up at Mystic Park, and were burnt out, they had pulled the trailers out but the rest of the equipment was burnt on Saturday during the critical part of the fire. Cr Guidera noted the Rapid Relief team then set up in the Shire car park and proceeded for the next four days to providing lunch and dinners.

Cr Guidera shared that now is the recovery phase and the Shire will work through it, today it started with a community morning tea.

Cr Guidera informed everyone that she and Julian had been in a fire debrief with the Fire Control Officers all afternoon and that it was fantastic to see the local FCO's back in Katanning working through how the fire went, what can be done better and acknowledging those people who helped. Cr Guidera stated that there will be lots of other activity based on the need from the community channelled through a fire recovery plan and committee.

Cr Guidera stated that she could talk at length about the many facets of the fire and the contribution of the volunteers but she wouldn't due to time constraints but shared that it is really important that this is logged in the minutes because it is now part of Katanning's shared history, the day the town was saved by a massive effort from so many people. Cr Guidera commented that everyone she has spoken to are very grateful for all those people that helped save our critical infrastructure and the town.

8. PETITIONS/DEPUTATIONS/PRESENTATIONS**8.1 Katanning Aboriginal Corporation (KAC)**

Cr Guidera welcomed the KAC and commented that she had seen the Australian Dream documentary that was shown on Sunday and that she thought it was very powerful television and she hoped that it created some change.

Cr Guidera commented that the KAC had provided an overview to Council on what they were going to talk about and invited them to take the floor.

Mr Clive Hayden, Chairman of the KAC Statement

Mr Hayden thanked the Shire of Katanning and the fire brigades for the great job with the recent fire and stated that although they live in Perth they do spend a lot of time in Katanning with his wife and had a friend from a local farm keeping him updated on what was happening in Katanning and was very relieved to learn everything was ok.

Mr Hayden introduced himself as the Chairman of the KAC and a member of the Quartermaine family from Katanning as well as marrying a Katanning girl. He thanked the Council for having him at the meeting. Mr Hayden explained a DVD presentation was to be shown about what had happened to Aboriginal people in the past, where they are standing today and how he considered that the KAC and the Shire Council have a future to look forward to and to work together to make things happen for the good of the town and for the Aboriginal and the non-Aboriginal people.

Mr Hayden thanked the Councillors and noted that Mr Williams would speak regarding the issues on the provided information after the DVD presentation.

Mr David Williams Statement

Mr Williams thanked the Shire and volunteers in the fire brigade on the tremendous job that they had done in the recent fires.

Mr Williams raised the waiving of the inherited land rates for the Katanning Aboriginal Corporation building and that a new volunteer committee has just taken over the KAC. Mr Williams requested a consideration by the Council to waive the rates that are outstanding, he noted that \$2,000 had recently been paid to the Shire towards the rates. Mr Williams commented that it would make things much easier if the rates were waived to be able to achieve some of the objectives that the KAC has.

Cr Liz Guidera Statement.

Cr Guidera explained that a motion is in the Agenda for the current Ordinary Council Meeting regarding the waiving of the rates for the KAC that will be deliberated as a confidential item.

Mr David Williams Statement

Mr Williams commented on the Reconciliation Action Plan, that he considered that Fremantle has a very good document and that his understanding is that KAC would be looking at the Shire, Councillors and the traditional people, first nation people, working together.

Cr Liz Guidera Statement.

Cr Guidera stated that the Council was keen to do a Reconciliation Action Plan and what was important in that process is to get buy in from all the Aboriginal people she noted that Katanning currently has four registered corporations and Council needs to ensure that all of them are represented and everyone else that might come under that flag is also represented. Cr Guidera noted that there had been prior conversations when Mr Williams was running for Council that she would be very keen to do Reconciliation Action Plan.

Mr David Williams Statement

Mr Williams shared information about the Katanning Aboriginal Corporation elected body regarding how they want to improve, help and set free the Aboriginal community including other tribes that come through Katanning. Mr Williams noted that documents with KPI's could be set up so that goals could be measured

Cr Liz Guidera Statement

Cr Guidera stated that the Council is keen to work in partnership.

Mr David Williams Statement

Mr Williams shared that it is a good thing that the flags had been set up at the Lions Park and was a good recognition of all the different nationalities in Australia and in Katanning but that the first nation was the original one and in the order of the flags it should be first. It should be the first flag as you come into town from the roundabout.

Mr Williams stated that in the past there was a Community Employment program and that it was a brilliant program, but it has now been taken away or cancelled. Since this has happened the incarceration rates have risen and to incarcerate some one regardless of race or creed cost around \$200,000 a year.

Mr Williams commented that if Katanning could get something like that back and run it through the KAC it might help with some of the problem that Katanning now has, such as the graffiti problem. Mr Williams shared that if there was a program the members could go and do mutual obligation tasks such as cleaning graffiti, assisting older community members and help out in the community. Mr Williams shared that when he was working for the corporation in 2003 – 2006, in the last year he worked there looking after four towns, they placed 60 people in full time jobs.

Cr Liz Guidera Statement

Cr Guidera explained that she had some of the information on the Work for the Dole activity and it was certainly something that Council could take on notice and have a discussion about at another time. Cr Guidera noted that as it is a program Council, would need to find out how it is operated and funded, who the mentors of the people would be, which is something that KAC could do, which would be really essential.

Mrs Wendy Hayden Statement

Mrs Hayden shared that CEP empowers the young men and women to not sit at home but go out and work for the dole and that it was incredible, she shared that they felt empowered they were working as young fathers and mothers and the children saw this and that lifted their standard but because it was successful the Government took it away. Then came all the drugs and alcohol violence and graffiti the KAC have seen this and identified it and KAC believed that they need to start the program off again. Mrs Hayden commented that it is still operating in the Murchison and the Kimberly, and the KAC wants it back again in partnership with the Shire Council and they believe with it running again there will be a change in the community, the whole community regardless of colour.

Mr David Williams Statement

Mr Williams asked in what year in the 21st century could they expect to see a noongar representative on Local Government in Katanning? Mr Williams commented that there has been Italians, Malaysians, the Greek and the Dutch.

Cr Liz Guidera Statement

Cr Guidera stated that she has said to Mr Williams before that she encourages anyone who is interested in working with community to stand for Council regardless of who they are. Cr Guidera commented that if specific training programs or opportunities or information sessions for Aboriginal people would assist in them feeling more comfortable in nominating, Council would certainly consider that.

Cr Guidera shared that there is an election in October in 2021 so that is an opportunity for an Aboriginal nominee and reiterated that if they wanted any training to call her and stated that there would be plenty of people, Councillors and ex-Councillors, that would be happy to talk to Mr Williams or any one else that was willing to put their hand up.

Cr Danny McGrath Question

Cr McGrath asked if the corporation had been receiving funds at all.

Mrs Wendy Hayden Statement

Mrs Hayden explained that she was doing the bookkeeping and that no, they did not receive any funding and that she was on a trust with Ravensthorpe Nickle Mine, that she is part of a trust made up of six people.

Mrs Hayden explained that the trust is Equity Trust and that they have allocated a portion of that of the capital interest for the 6 centres that they look after which are: Albany, Gnowangerup, Kojonup, Tambellup and so forth. Katanning gets a small budget of \$10,000.

Mrs Hayden shared that the money gets spent to get the centres up and running and to get the people back on track again and they are at the stage that they are only small because of past arrears in the rates. This financial year the KAC paid \$2,000 to the Katanning Shire for rates that were owed and KAC now owe about \$6,000. Mrs Hayden stated that the KAC is asking if Council could waive the current outstanding rates and give KAC a go to get on with the job they want to do.

Mrs Hayden explained past committees have twice left with arrears of \$18,000 which was addressed by the South West Land Council who paid the arrears the Shire. Mrs Hayden shared that she felt if you are not qualified in book keeping and accounts then things like that will happen but would not happen with her and next year's financial budgets, as of the 1st of July, there will have an annual budget in place. Mrs Hayden expressed that the Council may want to waive the rates permanently but otherwise the KAC will make sure that the rates are in the annual budget. Mrs Hayden stated that the KAC don't want to see it collapse again and they don't want to have to go back to the land council again. KAC will have an annual budget for rates and other items and that has been put that in place but at the moment KAC cannot meet that need and have no other funding not even the Shire Council. Mrs Hayden stated that they are asking that Council have compassion on the them and hear their voice.

Cr John Goodheart Statement

Cr Goodheart questioned about what sort of support the KAC was getting from within their own community for setting up the corporation again and asked if they were feeling like there is a swelling in the community behind KAC to make it happen as well? He wondered if they felt positive about where it is going.

Mrs Wendy Hayden Statement

Mrs Hayden responded that they have worked very hard as a committee to bring together the unity and commented that you have got to hit the ground running with our people, and that they are a very sensitive people and there is always power struggles. Mrs Hayden shared that they have been on the ground working with individuals to bring together unity and it is happening. Mrs Hayden stated that they feel positive about where it is going.

Mrs Hayden shared that they are all retired now and have a great passion and now they have the elders in place and are empowering them to be decision makers as they are the ones that teach the young ones how to behave. Mrs Hayden shared that they are excited about the future.

Cr Liz Guidera Statement

Cr Guidera stated that there is an opportunity to work in partnership and there are certainly some issues that happening around town that we really need to change, and it does start with the KAC. Cr Guidera commented that change starts with KAC and that Council are certainly happy to walk with KAC in partnership, Cr Guidera explained that the Council and KAC really need to have meetings and work out strategies about going forward, particularly to help the children as that is a really good place to start.

Mrs Wendy Hayden Statement

Mrs Hayden shared that the Commissioner for prisons Tony Hassel had attended her block for discussions on the issues of when prisoners are released and how they are lost and have nothing to do in the community, this is the first meeting and further meetings will take place. There are things taking place that the KAC would like to bring back to Katanning and implement.

Mr David Williams Statement

Mr Williams shared that part of the Work for the Dole could be getting the kids of the streets and having them made job ready, with haircuts and new clothes.

Cr Liz Guidera Statement

Cr Guidera commented that there are plenty of jobs in Katanning and lots of opportunity. Cr Guidera thanked the KAC for coming and addressing Council and asked if they could make sure they left contact details so they could organise community meetings and start working on some of the things raised.

Cr Guidera comment that it was interesting with the discussions on the change of the date for Australia Day relating how it was discussed with the Noongar Leadership Group that if they wanted Council to advocate for it and if they felt strongly about it they needed to let her know. Cr Guidera shared that she had heard nothing about it, and that a conversation needs to be had so Council knows how the community feels and then they can advocate for them.

Cr Guidera thanked the KAC members for attending the meeting.

8.2 Great Southern Regional Trials Master Plan

Lenore Lyons made her presentation (attached) and thanked the Council for their support over the last 12 months. She stated that they were now at the point the draft plan was completed and it was ready for presentation and to seek endorsement of the plan. The presentation was to provide a brief overview of the key elements of the plan and to take any questions.

10.1 EXECUTIVE MANAGER INFRASTRUCTURE AND ASSETS

10.1.1 Restricted Access Vehicle Network

File Ref: RD.PG.2

Reporting Officer: Cherrie Campbell, Executive Officer Infrastructure & Development Services

Date Report Prepared: 17 January 2019

Issue:

Main Roads Heavy Vehicle Services (HVS) has received a request to include Jam Hills Road, Bibiking Road South, Grant Road, House Road, Washington Road, Prinsep Road and Filmer Road onto the Harvest Mass Management (HMMS) list. The Shire wishes to support the amendments to the current RAV network classification.

Body/Background:

Jam Hills Road, Bibiking Road South, Grant Road, House Road, Washington Road, Prinsep Road and Filmer Road are currently RAV 2 network roads which restricts heavy vehicle movements. Heavy vehicle restrictions are often unnecessary prohibitive and have significant impacts on rural shires especially during harvest period. There is often the misconception that larger heavier vehicle combinations result in increased wear and tear to the road infrastructure. Restricted access vehicles (RAV) such as road trains not only increase productivity for operator's, but they also reduce the number of road trips, traffic congestion, carbon emissions and overall pavement wear.

Main Roads have received requests to upgrade Jam Hills Road, Grant Road, House Road and Prinsep Road to RAV 4 and Bibiking Road South, Washington Road and Filmer Road to Rav 7 network roads which would allow heavy combination vehicles to travel along these roads subject to adherence to a number of conditions. Clive Street from Northam Cranbrook Road to Caltex Driveway which would allow fuel delivery.

The table below shows the changes which Main Roads are considering for endorsement onto the HMMS list:

Road Name	From (SLK)	To (SLK)	Current Network	Requested Network
Jam Hills Road	0.00	3.88	RAV2	RAV4
Grant Road	0.00	1.83	RAV2	RAV4
House Road	0.00	3.34	RAV2	RAV4
Prinsep Road	0.00	2.37	RAV2	RAV4
Bibiking Road South	9.97	11.30	RAV2	RAV7
Washington Road	0.00	3.86	RAV2	RAV7
Filmer Road	0.00	2.41	RAV2	RAV7
Clive Street	Northam Cranbrook (0.00)	Caltex Driveway (0.83)	Nil	RAV2 & N2.3

Officer's Comment:

The axle spacing on road trains allows for pavement recovery between axle groups. The average triple road train is capable of moving 160 tonnes in 2 vehicle movements whereas a prime mover and single trailer would take approximately 7 loads to move the same volume. The overall impact on pavements is reduced with a RAV when used correctly in accordance with Main Road requirements.

Statutory Environment:

Road Traffic Act 2014

Road Traffic Regulations 2014

Policy Implications:

Nil.

Financial Implications:

There are no financial implications for the shire and in many instances access to road funding is more readily available with an increase in RAV rating.

Risk Implications:

This item has been evaluated against the Shire of Katanning's Risk Assessment and Acceptance Criteria. The perceived level of risk is considered to be "low". The "Low" risk rank is considered acceptable with adequate controls, managed by routine procedures.

Strategic Implications:

Shire of Katanning Strategic Community Plan 2017 – 2027

PRIORITY	LEADERSHIP	
ASPIRATION	B1	Infrastructure that meets community need
OBJECTIVE	B1.2	Provide facilities that meet community need.

Officer's Recommendation/Council Motion:

MOVED: CR SERENA SANDWELL

SECONDED: CR JOHN GOODHEART

OC3/20 That Council supports the Shires application to amend the Restricted Access Vehicle Network for Jam Hills Road, Bibiking Road South, Grant Road, House Road, Washington Road, Prinsep Road, Filmer Road and Clive Street.

10.2.6 **Katanning Artisan Collective**

File Ref: CP.AL.4
Reporting Officer: Lisa Hannagan, Executive Manager Corporate & Community
Date Report Prepared: 19 February 2020

Issue:

The Katanning Artisan Collective has requested for Council consider leasing space for the local Artisan Store, in the area formerly operated as Council Chambers and Visitor Centre at the Katanning Town Hall.

Body/Background:

The Katanning Artisan Collective is currently operating from a premise located on Clive Street but are seeking an alternative location that would better meet their requirements and budget.

Officer's Comment:

The Katanning Artisan Collective is a not for profit community group – 42 members, 28 artisans and 10 volunteers.

Current operating hours are Wednesday to Saturday, 1000-1600 and Sundays 100-1300

Current activities are display and sale of local homemade artisan products.

Future activities may include artisan workshops such as for painting, photography, pottery.

The Collective charges artisans a small commission for sales but decreases the commission bases on artisans volunteering eg. If the artisan volunteers time to work in the store, they pay less commission when their product sells.

Committee members have inspected the available area at the Katanning Town Hall and requested that Council consider leasing the space for their Local Artisan Store.

The Artisan Collective committee has offered to clean the internal and external space and to clear the inside space of any surplus furniture such as desks and cabinets.

Minor works to remove a temporary wall would allow for better access and usage by the group and the group have offered to source quotations and present to the Shire. It may be possible for the Artisan Collective members to complete some of the work required.

There is small provision for Visitor Centre - General Maintenance in the 2019/20 Building Program that could assist with the minor works.

Statutory Environment:

10.2.7 **Local Government House Trust – Deed of Variation**
(ATTACHMENTS)

File Ref: GR.LR.1
Reporting Officer: Executive Manager Corporate & Community
Date Report Prepared: 20 February 2020

Issue:

Council has received correspondence (attached) from Western Australian Local Government Association, in relation to the Local Government House Trust.

The Trusts Board of Management is seeking to vary the Trust Deed in order to assist the Trust's income tax exempt status.

As a beneficiary, the Shire of Katanning has been requested to consent, supported by a resolution of Council.

Body/Background:

The Local Government House Trust exists primary to provide building accommodation for the Western Australian Local Government Association. Since January 2-14, the Trust has provided WALGA with accommodation at 170 Railway Parade, West Leederville.

The Shire of Katanning is a unit holder and beneficiary to the Local Government House Trust, holding 7 units.

Legal advice (to WALGA) has identified that that the Trustee's ability to retire and appoint a Trustee might affect the Trusts classification as a State or Territory Body (STB).

The Deed of Variation seeks to strengthen the position that the Trust is in fact, an STB, which supports the position that the Trust is therefore entitled to maintain the income exempt status

Officer's Comment:

The current trust deed commenced in 1993 and was amended in 2002 to reflect the merger of the metropolitan and country associations into WALGA.

The trust is exempt from income tax on the basis of being a State/Territory Body (STB) pursuant to *Division 1 of the Income Tax Assessment Act 1936*.

10.5 CHIEF EXECUTIVE OFFICER'S REPORTS

10.5.1 Regional DFES / Local Government Resource to Risk Process

File Ref: ES.LG.2
Reporting Officer: Cindy Pearce, Community Emergency Services Officer
Date Report Prepared: 5 February 2020

Issue:

Funding Allocation for capital works under the ESL within the Great Southern region.

Body/Background:

Each year Local Governments are able to submit Resources to Risk (R2R) applications for Capital Grant considerations from DFES. This funding comes from the ESL. These grants relate to significant capital works initiatives, including the acquisition of facilities, vehicles and major items of equipment. There are limited applications that are successful, and each Local Government is competing for the allocation of funds for these capital grants.

At a recent Great Southern Advisory Committee (ROAC) meeting it was recommended a need for change in the R2R process to have a collaborative and more strategic approach to how the region prioritises these applications. It was agreed the ROAC is an appropriate committee to prioritize the collective submissions from each Local Government and submit a more strategic group of R2R applications that have been endorsed by all Chief Bushfire Brigade Fire Control Officers (CBFCOs) on this committee in consultation with the Local Governments.

This discussion item was presented to the 17 October 2019 at the Katanning Bushfire Advisory Committee Meeting (BFAC) and was supported fully by the Committee, with the recommendation to Council.

The membership votes to accept a more collaborative approach to the Resources to Risk application from Local Government within the Great Southern ROAC.

If agreed by the Local Governments a model or concept plan would be initiated by a working group. This concept would not likely start until the 2021 year.

If agreed to, there will need to be a shift in timings of applications to allow for alignment of ROAC meetings and BFAC meetings.

One option is for each Local Government who wishes to apply for the R2R grant to submit to all CBFCOs a short (150-300) overview of the proposed application for consideration before a ROAC Meeting. At the meeting each Local Government presents to the committee on their application for consideration to give members the opportunity to discuss each application. The Chiefs would rank these into priority order for the region and vote to accept these nominations. It would then be up to those highest priority applications to submit a more comprehensive document to be signed off with support from all contributing Local Governments.

Officer's Comment:

This process would support those Local Governments and volunteers in the region that require capital grant funding. Currently all applications are sent to Perth and the decision is made there and then the region gets notified of who was successful or not. This process will make it a more local decision across the Chief Bushfire Control Officers who know the area.

Date Report Prepared: 17 February 2020

Issue:

To consider applications for the 2019/2020 Round 2 Community Grants Program, formerly known as the Community Financial Assistance Program.

Body/Background:

The first round of funding under this program was advertised in December 2019 and January 2020 with advertisements in the Great Southern Herald, the Shire of Katanning Website, Shire Matters Newsletter, emails and word-of-mouth to the community and on Facebook.

The Community Grants Program (CGP) provides funding support in three categories; Minor Community Grant (up to \$5,000), Major Community Grant (Over \$5,000) and Triennium Community Grant (3-year approval - Minor or Major), to enable organizations to develop projects that increase participation and benefit the community.

At the closing date seven applications were received: six applications requesting a minor community grant, one application requesting a major community grant and no applications requesting a triennium grant.

The application process was coordinated by the Community Relations Officer, Natassia Shirazee.

Round 2 2019/2020 there is \$9,498.40 ex GST available in the budget.

Summary of applicants:*Minor Community Grants (up to \$5,000)*

Full Organisation Name: Anglican Parish of Katanning
Project Title: Anglican Hall and Church Repairs
Requested Amount from Council: \$5,000.00 ex GST
Total Project Cost: \$6,000.00 ex GST

Major Community Grant (over \$5,000)

Full Organisation Name: Katanning & Districts Pool Association Inc
Project Title: Pool Hall Air-Conditioners
Requested Amount from Council: \$6,000.00 ex GST
Total Project Cost: \$6,000.00 ex GST

Copies of the applications are attached for information.

Officer's Comment:

Community Grants Program Budget 2019/2020 available: \$9,498.40 ex GST
Total cash contribution requested excluding GST: \$18,050.58 ex GST
Recommended cash contribution: \$9,351.40 ex GST

Clearly with grant requests at double the amount available for distribution, the committee was required to consider ways to meet as many needs as possible, and so in some instances the requested amount has been reduced.

The Community Financial Assistance Program Committee considered applications at its meeting held on Monday 17 February 2020 where it made the following decision:

That the CFAP Committee make the following grant recommendations for Round 2 of the 2019/2020 Community Grants Program to Council:

1. Partially approve the Anglican Parish of Katanning \$3,500.00 ex GST for the brickwork of the Hall and Church Repairs as listed in the application. This is less than requested but would substantially cover main item of expenditure being professional restoration of the building.
2. Approve 1st Katanning Scouts Group \$850.00 ex GST for new tents as listed in the application.

3. Partially approve Katanning Senior High School P&C \$818.00 ex GST for the Senior High School Ball with a CEO fee waiver of \$500.00 ex GST as listed in the application.
4. Approve Katanning Playgroup Inc \$583.40 ex GST for Signage and Materials as listed in the application.
5. Partially approve Clontarf Foundation – Katanning Academy \$1,500.00 ex GST to meet a portion of the total costs of a new trailer as listed in the application.
6. Deny Friends of the Library: Katanning \$1,764.00 ex GST for the Library Garden Project as listed in the application. The works may be more appropriately funded by Council and an inspection of the courtyard will be undertaken by Council prior to budget deliberations; and
7. Partially approve the Katanning & Districts Pool Association Inc \$2,100.00 ex GST for one air-conditioner, rather than two, as listed in their application.

Statutory Environment:

11. ELECTED MEMBERS MOTION OF WHICH PREVIOUS NOTICE HAS BEEN GIVEN**11.1 Mobile Phones in Meetings Policy**

File Ref: GV.PO.1
Elected Member: Cr Liz Guidera, President
Date Report Prepared: 20 February 2020

Issue:

To consider the adoption of a Mobile Phones in Meetings Policy

Body/Background:

Section 2.7 of the *Local Government Act 1995* establishes the role of Council to determine the policies of the Local Government.

Elected Member's Comment:

The following policy is proposed in relation to the use of mobile phones in meetings:

MOBILE PHONES IN MEETINGS**Policy Measures**

Phone calls and messages (text or email) sent or received during a meeting can be an unwanted distraction and is generally considered disrespectful.

Mobile telephones must therefore be turned off or turned to "silent mode" at all times when participating in any Council meeting or Council Committee meeting.

As a general rule you are discouraged to bring mobile phones to an Ordinary Council Meeting which is the one formal meeting of Council per month (except for the CEO and Councilors or staff that are on call for an emergency service).

Receiving and answering mobile phone calls during any meeting is not permitted unless the Presiding Member has granted prior permission. If permission is granted and a call is received during the meeting, the Councillor, staff member or Committee member is to leave the room immediately to take the call. (This policy does not however excuse any member of a meeting from any statutory obligation to remain to vote on a matter and in such circumstance, the call should be responded to after the vote is taken).

Messages and messaging (text and email) are by nature of a lesser significance and may be dealt with at the conclusion of meetings.

As guidance to the Presiding Member, circumstances when the use of a mobile phone for phone calls in meetings may be considered necessary include but are not limited to:

- If on call for an emergency service (police, fire, ambulance, SES, rangers etc);
- If awaiting the outcome of medical treatment for a close relative;
- If awaiting contact from distinguished guests due at that or subsequent meetings; or
- Any other circumstance where the Presiding Member feels the importance of the matter warrants the granting of permission to use a mobile phone during a meeting.

11.2 Designated Senior Employees

File Ref: PE.ES.1
Elected Member: Cr John Goodheart, Deputy President
Date Report Prepared: 20 February 2020

Issue:

To change the status of designated senior employees under section 5.37 of the *Local Government Act 1995*.

Body/Background:

In August 2017 Council designated four executive manager positions as senior employees for the purposes of S5.37 of the *Local Government Act*.

At the Ordinary Council Meeting held on 17 December 2019 the designation of the four senior employee positions was cancelled to facilitate the implementation of a new management structure, combining the four executive manager positions into two new positions, as part of a cost reduction exercise.

Elected Member's Comment:

The restructure of the executive manager positions has now occurred as has the restructure of their departments. The intent to cancel the status of the senior officers was always to simplify the organisational structure and that it would be a temporary measure. In the motion put to Council at the time, it was stated that Council may reconsider the matter of designated senior employees in the future. Council is now prepared for the reinstatement of senior employee status for the two new executive manager positions.
